- Weighs less than 20 lbs.
- 316 Marine Grade Stainless Steel construction.
- Push button electronic ignition.
- 155 sq. in. V-grate grilling surface for greater taste.
- Includes carry bag/cover.
- Integral mounting receptor for use with mounts and adapters.

Mounts and adapters for various applications

Rail (7/8" - 1" rails)

Post (1/2" - 2 1/4" posts)

Tripod

Adapter for use with Magma Fishing Pole Holder Mount

Serious heat for serious grilling!

- Heats up in just 3 minutes.
- Intense direct heat sears in the juices for a more tender, succulent and flavorful food.
- Grills faster than traditional burners with fewer flare-ups.
- Charcoal-like flavor with the control, convenience and consistency of gas.
- Grill virtually anything, from steaks, chicken and burgers to fish, shrimp and veggies.

Uses 1 lb. propane bottles. Adapters available for use with 20 lbs. tanks, low pressure propane and natural gas.
